

EZ STAT™

Data Logger

Radar
Trailers

The EZ Stat data logger makes speed data gathering easy while alleviating budget constraints for local police agencies. The Decatur EZ Stat is a compact module with a flash memory that works with the Decatur Electronics line of OnSite Series Trailers including the Decatur Speed Spy. Create and print easy to read traffic speed reports using the included EZ Stat software. Generate graphs or export the data to Excel. In addition, the EZ Stat now works with Bluetooth enabled OnSite products.

Features
